How we are paid for services provided

We believe the services we offer are valuable and the remuneration received is a fair reward for our expertise and skills. We are committed to being open about any benefits or payments we receive and the costs you will incur for using our services.

The cost of providing a financial product or service to you will depend on the nature and complexity of the advice, financial product and/or service provided. Generally, whenever your adviser provides a recommendation for a financial product or service, your adviser may be remunerated through either:

**An initial fee for service**

This fee will be determined by complexity of the advice required. As a guide, our initial advice fee for the preparation of the Statement of Advice ranges from AUD$2,000 to AUD$9,000 (incl GST).

**An ongoing fee for service**

To obtain the maximum benefit from your advice you can engage us to provide ongoing services to ensure that you achieve your goals. This fee is charged based on the Assets Under Management (AUM) at a maximum rate of 1.54% (incl GST). Please note that this is the maximum fee you maybe charged and the fee may be less and will be dictated based on the account size.

**Brokerage on trades**

Where we are instructed to execute trades on behalf of our clients there may be a brokerage charge on the trade. This fee can range from 0.25% to 1.25% and will be confirmed with you when the Statement of Advice is provided to you.

**Stamping Fees**

We may receive stamping fees from issuer companies for raising capital or debt on behalf of that company. We will offset this payment against the cost of our advice to you.

**Referral fees external providers**

From time to time we may refer you to one of our partner firms who may provide you with advice in addition to the services that we provide. Please note that AWM may receive a fee for this referral and that it does not represent an additional cost to you.

**A combination of any of the above.**

All fees and/or commissions are initially paid to AWM before being distributed to your adviser. AWM may retain a percentage split which will be outlined in the relevant advice document. Your adviser will provide you with a full explanation of any remuneration arrangements prior to you engaging their services.
